- Proof of Residence
- Physical Examination Form
- Medicaid Card (If Applicable)
- South Carolina Immunization Form 1148

*All children are required to be immunized against diphtheria, tetanus, whooping cough, polio, mumps, red and German measles, chicken pox, and hepatitis.*

Sumter School District is currently holding pre-kindergarten and kindergarten registration for the 2012-2013 school year.

Kindergarten is a full day program. Students must be five years old by September 1, 2012, to qualify.

The pre-kindergarten program is not state mandated; there are a limited number of slots available at each school. To qualify for this program, students must be four years old on or before September 1, 2012. Students will be pre-screened using a state-approved instrument. First consideration for pre-kindergarten will be given to students who qualify for free or reduced price lunch, Medicaid, or documented developmental delays. Pre-kindergarten classes are half-day programs. Students must be four years old by September 1 to enroll.

Students must attend the school within their attendance zone. To register for these programs, parents should visit the school and bring the child's birth certificate, South Carolina Immunization Form 1148, proof of residence, physical examination form, and Medicaid card (if applicable).

For more information, please call the appropriate school or the district office at (803) 469-6900, ext. 522. Parents are encouraged to enroll their children no later than March 30.
